Dear Sir:

Following the advise of the Patent Electronic Business Center, enclosed are several Powers of Attorney for patent applications assigned to Art Group 1710. The attached documents were previously mailed to the U.S. Patent Office, but are not yet recorded in the Office's computer system. Applicants' attorney is attempting to use the PAIR system and until the Powers are properly recorded, he will not be able to take advantage of the PAIR system for all of the pending applications on his docket.

Therefore, Applicants' attorney is re-sending by facsimile the above mentioned documents.

Respectfully submitted,

Kenneth J. Stachel
